

MANAGEMENT INFORMATION CIRCULAR FOR THE 2024 ANNUAL GENERAL MEETING

This information is given as of **October 15, 2024**, unless otherwise noted.

This management information circular (the "**Information Circular**") is furnished in connection with the solicitation of proxies by the management of Century Lithium Corp. (the "**Company**") for use at the annual general meeting (the "**Meeting**") of holders (the "**Shareholders**") of common shares of the Company (the "**Common Shares**") to be held on Thursday, November 14, 2024, at the time and place and for the purposes set forth in the accompanying notice of annual general meeting of shareholders (the "**Notice of Meeting**"). References in this Information Circular to the Meeting include any adjournment or postponement thereof.

The Company is conducting the Meeting in a virtual-only format, that will allow Shareholders and duly appointed proxyholders to participate online in real time. The Company is providing the virtual-only format to provide Shareholders with an equal opportunity to attend and participate at the Meeting, regardless of the particular constraints or circumstances they may be facing. See "*Attending the Meeting Online*" below for details on how to access and participate at the Meeting. Shareholders will not be able to physically attend the Meeting.

Registered Shareholders ("**Registered Shareholders**") and duly appointed proxyholders will be able to virtually attend, ask questions and vote at the Meeting. Non-registered Shareholders (being shareholders who beneficially own Common Shares that are registered in the name of an intermediary (an "**Intermediary**") such as a bank, trust company, securities broker or other nominee, or in the name of a depositary of which the Intermediary is a participant) ("**Non-Registered Shareholders**") who have not duly appointed themselves as proxyholder will be able to virtually attend the Meeting as guests, but guests will not be able to vote or ask questions at the Meeting.

GENERAL PROXY INFORMATION

Solicitation of Proxies

Proxies may be solicited by mail, telephone, email or by other means of electronic communication. Proxies may be solicited personally by directors, officers or employees of the Company, to whom no additional compensation will be paid. All costs of solicitation will be borne by the Company.

How to Vote

How you can vote depends on whether you are a Registered Shareholder or a Non-Registered Shareholder. The different voting options are summarized below, and more details are provided in the following sections. Please follow the appropriate voting option based on whether you are a Registered Shareholder or a Non-Registered Shareholder. In order to streamline the virtual Meeting process, the Company encourages Shareholders to vote in advance of the Meeting using the form of proxy or voting instruction form, as applicable, mailed to them.

Voting by Proxyholder

Registered Shareholders

The persons named in the enclosed form of proxy are executive officers or directors of the Company and have agreed to act as the Company Proxyholders. **You have the right to appoint someone other than the persons designated in the enclosed form of proxy, who need not be a shareholder of The Company, to attend and act on your behalf at the Meeting by printing the name of the person you want in the blank space provided or by completing and delivering another suitable form of proxy.**

On any ballot, the proxyholders named in the accompanying form of proxy will vote, withhold from voting or vote against (as applicable), your Common Shares in accordance with your instructions. In respect of any matter for which a choice is not specified, the persons named in the accompanying form of proxy will vote at their own discretion, except where management recommends that Shareholders vote in favour of a matter, in which case the nominees will vote FOR the approval of such matter.

The form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. As of the date of this Information Circular, management of the Company knows of no such amendment, variation or other matter that may come before the Meeting. However, if any amendment, variation or other matter should properly come before the Meeting, the nominees named in the accompanying form of proxy intend to vote thereon in accordance with the nominee's best judgment or as stated above.

A form of proxy will not be valid unless it is signed by the Registered Shareholder, or by the Registered Shareholder's attorney with proof that they are authorized to sign. If you represent a Registered Shareholder that is a corporation, your proxy should have the seal of the corporation, if applicable, and must be executed by an officer or an attorney, authorized in writing. If you execute a proxy as an attorney for an individual Registered Shareholder, or as an officer or attorney of a Registered Shareholder that is a corporation, you must include the original or notarized copy of the written authorization for the officer or attorney with your proxy form.

If you are voting by proxy, send your completed proxy to the Company's transfer agent, Computershare Investor Services Inc. ("**Computershare**") by mail to Proxy Department, 100 University Avenue, 8th Floor, Toronto, Ontario, M5J 2Y1, or by toll free fax at 1-866-249-7775 in North America. You may also vote on the internet or by phone by following the instructions set out in the form of proxy. Computershare must receive your proxy by 1:00 p.m. (Pacific Standard Time) on November 12, 2024, or 48 hours before the time the Meeting is reconvened if it is postponed or adjourned (excluding Saturdays, Sundays and holidays) (the "Proxy Deadline"). **Late proxies may be accepted or rejected by the Chair of the Meeting in his or her discretion.**

If you appoint someone other than the Company nominees to be your proxyholder, that person must virtually attend and vote at the Meeting for your vote to be counted. If you are appointing someone other than the Company nominees as your proxy, you must register them with Computershare before the Proxy Deadline. If you do not register your proxyholder before the Proxy Deadline, they will not receive an invitation code to participate at the Meeting. See "*Appointment of Third-Party as Proxy*" below for additional information on how Registered Shareholders can appoint someone other than the Company nominees as their proxyholder and register such proxyholder with Computershare.

Non-Registered Shareholders

Most shareholders of the Company are Non-Registered Shareholders because the Common Shares they own are not registered in their name but are registered in the name of an Intermediary such as a bank, trust company, securities dealer or broker, trustee or administrator, of a self-administered RRSP, RRIF, or RESP or a clearing agency (such as CDS Clearing and Depository Services Inc.) of which the Intermediary is a participant.

Non-Registered Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Company are referred to as "NOBOs". Those Non-Registered Shareholders who have objected to their Intermediary disclosing ownership information about themselves to the Company are referred to as "OBOs".

In accordance with the requirements of National Instrument 54-101 of the Canadian Securities Administrators ("**NI 54-101**"), the Company has elected to distribute copies of the Notice of Meeting and this Information Circular (collectively, the "**Meeting Materials**") indirectly through intermediaries to the NOBOs and OBOs. Applicable regulatory policy requires intermediaries/brokers to whom Meeting Materials have been sent to seek voting instructions from Non-Registered Shareholders in advance of Shareholders' meetings. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed to ensure that the Non-Registered Shareholder's Common Shares are voted at the Meeting.

The majority of Intermediaries now delegate responsibility for obtaining instructions from Non-Registered Shareholders to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge mails a scannable voting

instruction form ("**VIF**"), instead of the form of proxy. Non-Registered Shareholders are requested to complete and return the VIF to Broadridge. Alternatively, Non-Registered Shareholders can call a toll-free telephone number or access Broadridge's dedicated voting website www.proxyvote.com.

The VIF must be returned as directed by Broadridge well in advance of the Meeting to have the common shares voted. Non-Registered Shareholders who receive forms of proxies or voting materials from organizations other than Broadridge should complete and return such forms of proxies or voting materials in accordance with the instructions on such materials to properly vote their common shares at the Meeting.

The Company may utilize the Broadridge QuickVote™ service to assist Non-Registered Shareholders to vote their shares.

The Company does not intend to pay for intermediaries to forward to OBOs under 54-101 the Meeting Materials and Form 54-101F7 - *Request for Voting Instructions Made by Intermediary*, and an OBO will not receive the materials unless the OBO's intermediary assumes the cost of delivery.

Although Non-Registered Shareholders may not be recognized directly at the Meeting for the purpose of voting Common Shares registered in the name of their Intermediary, a Non-Registered Shareholder may attend the Meeting as a proxyholder for a Shareholder and vote Common Shares in that capacity. Non-Registered Shareholders who wish to virtually attend the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should contact their Intermediary well in advance of the Meeting to determine the steps necessary to permit them to indirectly vote their Common Shares as a proxyholder.

If you are a Non-Registered Shareholder and wish to vote at the Meeting, you have to insert your own name in the blank space provided on the form of proxy or voting instruction form sent to you by your Intermediary, follow the applicable instructions provided by your Intermediary and register yourself as your proxyholder, as described below under the heading "*Appointment of Third-Party as Proxy*".

If you are a Non-Registered Shareholder that wishes to attend and participate at the Meeting, please follow the instructions below and under "*Appointment of Third-Party as Proxy*" for how you may appoint yourself as proxyholder and register with Computershare. Failure to register the proxyholder with Computershare will result in the proxyholder not receiving an invitation code to participate in the Meeting and the proxyholder will not be able to attend and vote at the Meeting.

You will need the latest version of Chrome, Safari, Edge or Firefox to access the virtual Meeting platform. Internet Explorer is not a supported browser. Please ensure your browser is compatible.

If you attend the Meeting, it is important that you remain connected to the internet for the duration of the Meeting to vote when balloting commences. It is your responsibility to ensure that you remain connected. You will be able to log into the Meeting up to 60 minutes prior to the start of the Meeting. Shareholders and duly appointed proxyholders are encouraged to access the Meeting 15 minutes before the Meeting starts to allow ample time for the virtual log-in procedures prior to the start of the Meeting.

Appointment of Third-Party as Proxy

Shareholders who wish to appoint themselves or a third-party proxyholder to represent them at the Meeting, must submit their form of proxy or voting instruction form, as applicable, prior to registering the proxyholder. Registering the proxyholder is an additional step once the Shareholder has submitted its proxy or voting instruction form, as applicable. Failure to register the proxyholder will result in the proxyholder not receiving a username to participate in the Meeting. To register a proxyholder, Shareholders must visit the following link, <https://www.computershare.com/CenturyLithiumCorp> on or before the Proxy Deadline and provide Computershare with the proxyholder's contact information, so that Computershare may provide the proxyholder with a passcode via email. Without a passcode, proxyholders will not be able to vote at the Meeting.

United States Non-Registered Shareholders

To virtually attend and vote at the Meeting, United States Non-Registered Shareholders must first obtain a valid Legal Proxy from your broker, bank or other agent and then register in advance to attend the meeting. Follow the instructions from your Intermediary included with these materials or contact your Intermediary to request a legal form of proxy. After first obtaining a valid legal proxy from your Intermediary, you must submit a copy of your valid legal proxy to Computershare to register to attend the meeting. Requests for registration should be sent by mail to: Computershare, 100 University Ave., 8th Floor, Toronto, ON M5J 2Y1; or by email to USLegalProxy@computershare.com.

Requests for registration must be labeled as "Legal Proxy" and be received no later than the Proxy Deadline at 1:00 pm (Pacific Standard Time) on November 12, 2024. You will receive a confirmation of your registration by

email after we receive your registration materials. You may attend the Annual General Meeting and vote your shares at <https://meetnow.global/MGCX6AS> during the meeting. Please note that you are required to register your appointment at <https://www.computershare.com/CenturyLithiumCorp>.

Revocation of Proxies

Registered Shareholders

You can revoke your proxy by sending a new completed proxy form with a later date, provided that such new completed proxy form is received by Computershare by the Proxy Deadline. You can also revoke a vote you made by proxy by voting again by internet or by phone in accordance with the instructions set out in the form of proxy before the Proxy Deadline, voting during the Meeting by logging into the Meeting and following the procedures described above, or in any other manner permitted by law.

You can also revoke your proxy by sending a written note (the "**Revocation Notice**") signed by you or your attorney if he or she has your written authorization. If you represent a Registered Shareholder that is a corporation, your Revocation Notice must have the seal of that corporation, if applicable, and must be executed by an officer or an attorney, authorized in writing. The written authorization must accompany the Revocation Notice.

The Company must receive the Revocation Notice any time up to and including the last business day before the day of the Meeting or the day the Meeting is reconvened if it is postponed or adjourned. Please send the Revocation Notice to the Company's head office at: Suite 1030, 505 Burrard Street, Vancouver, BC V7X 1M5.

If you are a Registered Shareholder and use the 15-digit control number on your form of proxy to login to the Meeting, you will revoke all previously submitted proxies and will be able to vote by ballot on the matters put forth at the Meeting. If you do not wish to revoke all previously submitted proxies, do not enter your control number and instead join the meeting as a guest.

Non-Registered Shareholders

Only Registered Shareholders have the right to revoke a proxy. Non-Registered Shareholders can change your vote by contacting your Intermediary right away so they have enough time before the Meeting to arrange to change the vote and, if necessary, revoke the proxy.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

Record Date

Only Shareholders of record at the close of business on the **October 7, 2024**, who either personally attend the Meeting virtually or who complete and deliver the Proxy in the manner and subject to the provisions set out under the heading "Appointment and Revocation of Proxies" will be entitled to have his or her shares voted at the Meeting or any adjournment thereof.

Voting Securities

On **October 7, 2024**, there were **149,499,548** Common Shares without par value issued and outstanding, each share carrying the right to one vote. At a general meeting of the Company, every shareholder shall have one vote and, on a poll, every shareholder shall have one vote for each share of which he or she is the holder.

Principal Holders

To the knowledge of the Directors and executive officers of the Company, there are no Shareholders who beneficially own, directly or indirectly, or exercise control or direction over, shares carrying more than 10% of the voting rights attached to all outstanding shares of the Company.

Votes Necessary to Pass Resolutions at the Meeting

Under the Company's Articles, the quorum for the transaction of business at the Meeting consists of one person present in person or by proxy. Under the Business Corporations Act (British Columbia) and the Company's Articles, a simple majority of the votes cast at the Meeting (virtually or by proxy) is required in order to pass an ordinary resolution. To approve a motion for an ordinary resolution, by disinterested Shareholder vote, a majority of the votes cast by "disinterested Shareholders" in person or by proxy who vote in respect of that resolution must be in favour. A "disinterested Shareholder" vote means that shares owned by all Shareholders who have a vested interest in passing the resolution are removed from the vote tally on that ordinary resolution, and a majority of the remaining votes must be in favour.

Background

The Long-Term Incentive Plan is a “rolling” plan under which the maximum number of Shares that are reserved for issuance shall not, at any time, exceed 10% of the Company’s issued and outstanding Shares as at that date. As a result, under Exchange rules, the Long-Term Incentive Plan must re-approved by Shareholders each year.

The Exchange has conditionally approved the Amended and Restated LTIP. In order to become effective, the Amended and Restated LTIP must be approved by ordinary resolution of the disinterested Shareholders at the Meeting.

Amended and Restated LTIP

The following table summarizes the key provisions of the Amended and Restated LTIP, which is qualified in its entirety by referenced to the full text of the Amended and Restated LTIP. <i>Plan Limits</i>	When combined with all of the Company’s other previously established security-based compensation arrangements, including the limitation imposed on the maximum number of Shares which may be issued pursuant to the exercise or redemption and settlement of DSUs, PSUs and RSUs set out above, the Amended and Restated LTIP shall not result in the grant: <ul style="list-style-type: none"> • to any one person in any 12 month period which could, when exercised, result in the issuance of Shares exceeding five percent (5%) of the issued and outstanding Shares of the Company, calculated at the date of grant, unless the Company has obtained the requisite disinterested shareholder approval to the grant; • to any one consultant in any 12 month period which could, when exercised, result in the issuance of Shares exceeding 2% of the issued and outstanding Shares of the Company, calculated at the date of grant; • in any 12 month period, to any Investor Relations Service Provider, which could, when exercised, result in the issuance of Shares exceeding, in aggregate, 2% of the issued and outstanding Shares of the Company, calculated at the date of grant, provided that for so long as the Shares are

listed and posted for trading on the Exchange, persons employed or engaged by the Company to perform Investor Relations Activities may not receive any Award other than Options;

- unless the Company has obtained Disinterested Shareholder approval, in any 12 month period, of a number of Shares issued or granted to Insiders exceeding 10% of the issued and outstanding shares of the Company, calculated as at the date any Awards are granted or issued to any Insider; and
- unless the Company has obtained Disinterested Shareholder approval, where the aggregate number of Shares issuable to Insiders at any time exceeds 10% of the issued and outstanding Shares.

Definition of Market Price

“**Market Price**” means at any date in respect of the Shares shall be the volume weighted average trading price of the Shares on the Exchange, for the five (5) trading days immediately preceding the Grant Date (or, if such Shares are not then listed and posted for trading on the Exchange, on such stock exchange on which the Shares are listed and posted for trading as may be selected for such purpose by the Board); provided that, for so long as the Shares are listed and posted for trading on the Exchange, the Market Price shall not be less than the Market Price as defined in Policy 1.1; and provided, further, that with respect to an Option granted to a U.S. Taxpayer, such Participant and the number of Shares subject to such Award shall be identified by the Board or a committee of the Board prior to the start of the applicable five (5) trading day period. In the event that such Shares are not listed and posted for trading on any Exchange, the Market Price shall be the fair market value of such Shares as determined by the Board in its sole discretion and, with respect to an Award made to a U.S. Taxpayer, in accordance with Section 409A of the United States Internal Revenue Code of 1986, as amended from time to time, including any regulations promulgated thereunder.

Non-Assignability and Non-Transferability of Awards

Except to the extent that certain rights may pass to a beneficiary or legal representative upon death of a Participant, by will or as required by law, no assignment or transfer of Awards, whether voluntary, involuntary, by operation of law or otherwise, vests any interest or right in such Awards whatsoever in any assignee or transferee and immediately upon any assignment or transfer, or any attempt to make the same, such Awards will terminate and be of no further force or effect. To the extent that certain rights to exercise any portion of an outstanding Award pass to a beneficiary or legal representative upon death of a Participant, the period in which such Award can be exercised by such beneficiary or legal representative shall not exceed one year from the Participant’s death.

Amending Procedures

Discretion to Amend the Plan and Awards. The Board may, subject to any rules of the Exchange and approval rights of the Exchange, amend the Plan or Awards at any time without obtaining shareholder approval, *provided, however*, that no such amendment may materially and adversely affect any Award previously granted to a Participant without the consent of the Participant, except to the extent required by applicable law (including Exchange requirements). Any amendment under this Section shall be subject to all necessary regulatory approvals. Without limiting the generality of the foregoing, but subject to such matters that require shareholder approval as set out under **Amendments Requiring Shareholder Approval**, the Board may, without shareholder approval, at any time or from time to time, amend the Plan for the purposes of:

- (a) making any amendments to the general vesting provisions of each Award;

- (b) making any amendments to add covenants of the Company for the protection of Participants, as the case may be, provided that the Board shall be of the good faith opinion that such additions will not be prejudicial to the rights or interests of the Participants, as the case may be;
- (c) making any amendments not inconsistent with the Plan as may be necessary or desirable with respect to matters or questions which, in the good faith opinion of the Board, having in mind the best interests of the Participants, it may be expedient to make, including amendments that are desirable as a result of changes in law in any jurisdiction where a Participant resides, provided that the Board shall be of the opinion that such amendments and modifications will not be prejudicial to the interests of the Participants and directors; or
- (d) making such changes or corrections which, on the advice of counsel to the Company, are required for the purpose of curing or correcting any ambiguity or defect or inconsistent provision or clerical omission or mistake or manifest error, provided that the Board shall be of the opinion that such changes or corrections will not be prejudicial to the rights and interests of the Participants.

Amendments Requiring Shareholder Approval. Notwithstanding the above, and subject to any rules of the Exchange and approval rights of the Exchange, no amendments to the Plan or Awards to:

- (a) increases the percentage of the Company's issued and outstanding Shares from time to time that can be reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Board to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (b) increases or removes the 10% limits on Shares issuable or issued to Insiders;
- (c) reduces the exercise price of an Award (for this purpose, a cancellation or termination of an Award of a Participant prior to its expiry date for the purpose of reissuing an Award to the same Participant with a lower exercise price shall be treated as an amendment to reduce the exercise price of an Option Award) except pursuant to the provisions in the Plan which permit the Board to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (d) extends the term of an Award beyond the original expiry date (except where an expiry date would have fallen within a Blackout Period applicable to the Participant);
- (e) permits an Award to be exercisable beyond 10 years from its Grant Date (except where an expiry date would have fallen within a Blackout Period of the Company);
- (f) increases or removes the limits on the participation of directors;
- (g) changes the eligible participants of the Plan;
- (h) is a matter expressly subject to approval of the holders of Shares pursuant to the applicable rules of the Exchange;
- (i) deletes or reduces the range of amendments which require approval of shareholders under this Section 13.2; or

Financial Assistance

- (j) any other change that requires Disinterested Shareholder approval pursuant to Exchange Policy 4.4,

shall be made without obtaining approval of the shareholders or Disinterested Shareholders, of the Company, as applicable, in accordance with the requirements of the Exchange.

The Company will not provide financial assistance to participants under the Amended and Restated LTIP.

Other

In the event of a change in control, the Board shall have the right, but not the obligation, to permit each participant to exercise all of the participant's outstanding Options and to settle all of the participant's outstanding PSUs, RSUs and DSUs, subject to any required approval of the Exchange and subject to completion of the change in control, and has the discretion to accelerate vesting

The Amended and Restated LTIP further provides that if the expiry date or vesting date of Options is during a blackout period, the expiry date or vesting date, as applicable, will be automatically extended for a period of ten trading days following the end of the blackout period, subject to certain requirements of the Exchange, as set out in the Amended and Restated LTIP. In the case of PSUs, RSUs and DSUs, any settlement that is effected during a blackout period shall be in the form of a cash payment.

B. Performance Share Units

PSU Terms

A PSU is a notional security but, unlike other equity-based incentives, vesting is contingent upon achieving certain performance criteria, thus ensuring greater alignment with the long-term interests of shareholders. The terms applicable to PSUs under the Amended and Restated LTIP (including the performance cycle, performance criteria for vesting and whether dividend equivalents will be credited to a participant's PSU account) are determined by the Board at the time of the grant.

Vesting

PSUs do not vest, and cannot be paid out (settled), until the completion of the performance cycle. The performance cycle shall in no case end later than December 31 of the calendar year that is three years after the grant date and provided that in all cases, no PSUs may vest before the date that is one year following the Grant Date.

Settlement

At the grant date, the Board shall stipulate whether the PSUs are paid in cash, shares, or a combination of both, in an amount equal to the Market Value of the notional shares represented by the PSUs in the holders' account.

C. Restricted Share Units

RSU Terms

An RSU is a notional security that entitles the recipient to receive cash or shares at the end of a vesting period. The terms applicable to RSUs under the Amended and Restated LTIP (including the vesting schedule and whether dividend equivalents will be credited to a participant's RSU account) are determined by the Board at the time of the grant.

Credit to RSU Account

As dividends are declared, additional RSUs may be credited to RSU holders in an amount equal to the greatest whole number which may be obtained by dividing (i)

	the value of such dividend or distribution on the record date established therefore by (ii) the Market Price of one share on such record date.	
Vesting	RSUs vest upon lapse of the applicable restricted period. For employees, vesting generally occurs in three equal instalments on the first three anniversaries of the grant date. For directors, one third of the Award may be immediately vesting, with the balance vesting equally over the first two anniversaries of the grant date, provided that no RSUs may vest before the date that is one year following the Grant Date.	
Settlement	At the grant date, the Board shall stipulate whether the RSUs are paid in cash, shares, or a combination of both, in an amount equal to the Market Value of the notional shares represented by the RSUs in the holders' account.	
D. Deferred Share Units		
DSU Terms	A DSU is a notional security that entitles the recipient to receive cash or shares upon resignation from the Board (in the case of directors) or at the end of employment. The terms applicable to DSUs under the Amended and Restated LTIP (including whether dividend equivalents will be credited to a participant's DSU account) are determined by the Board at the time of the grant. Typically, DSUs have been granted (i) as a component of a director's annual retainer, or (ii) as a component of an officer's annual incentive grant. The deferral feature strengthens alignment with the long-term interests of shareholders.	
Credit to DSU Account	As dividends are declared, additional DSUs may be credited to DSU holders in an amount equal to the greatest whole number which may be obtained by dividing (i) the value of such dividend or distribution on the record date established therefore by (ii) the Market Price of one share on such record date.	
Vesting	DSUs vest either in accordance with the DSU Award Agreement, or immediately at the time it is credited to the Participant's DSU Account, as applicable, provided that no DSU may vest before the date that is one year following the Grant Date.	
Settlement	DSUs may only be settled after the date on which the holder ceases to be a director, officer or employee of the Company. At the grant date, the Board shall stipulate whether the DSUs are paid in cash, shares, or a combination of both, in an amount equal to the Market Value of the notional shares represented by the DSUs in the holders' account.	
E. PSUs, RSUs and DSUs		
Circumstances Involving Cessation of Entitlement to Participate	Reason for Termination	
	Death	All outstanding PSUs, RSUs and DSUs shall vest as of the date of death and be available for settlement.
	Retirement or Disability	All outstanding PSUs, RSUs and DSUs that were vested on or before the date of Retirement or Disability shall be available for settlement. All outstanding PSUs, RSUs and DSUs that were not vested on or before the date of Retirement or Disability shall continue to vest in accordance with their terms and, if any such PSUs, RSUs or DSUs vest shall be available for settlement.

	Resignation	Outstanding PSUs, RSUs and DSUs that were vested on or before the date of resignation shall be available for settlement as of the date of resignation, after which time all remaining PSUs, RSUs and DSUs shall in all respects terminate.
	Termination without Cause/Constructive Dismissal (No Change in Control)	Outstanding PSUs, RSUs and DSUs that were vested on or before the termination date shall be available for settlement as of the termination date. Outstanding PSUs, RSUs and DSUs that would have vested on the next vesting date following the termination date shall be available for settlement as of such vesting date. Subject to the foregoing, any remaining PSUs, RSUs and DSUs shall in all respects terminate as of the termination date.
	Change in Control plus Termination without Cause / Constructive Dismissal within 12 months of Change in Control	PSUs, RSUs and DSUs shall vest immediately prior to the termination date and be available for settlement.
	Termination with Cause	Outstanding PSUs, RSUs and DSUs (whether vested or unvested) shall automatically terminate on the termination date and be forfeited.

Any shares subject to an Award which for any reason expires without having been exercised or is forfeited or terminated shall again be available for future Awards under the Amended and Restated LTIP and any shares subject to an Award that is settled in cash and not shares shall again be available for future Awards under the Amended and Restated LTIP.

A total of 6,703,000 Options are outstanding as of the date of this Circular. If the Amended and Restated LTIP is approved, a total of 8,246,955 Awards will be available to be granted, subject to the maximum number of shares that may be issued pursuant to the issue or upon the exercise or redemption and settlement of the DSUs, PSUs and RSUs.

Schedule A

CENTURY LITHIUM CORP. (the "Company")

AUDIT COMMITTEE CHARTER

The Audit Committee is appointed by the Board of Directors to assist the Board of Directors in its oversight and evaluation of:

- the quality and integrity of the financial statements of the Company,
- the compliance by the Company with legal and regulatory requirements in respect of financial disclosure,
- the qualification, independence and performance of the Company's independent auditor
- the performance of the Company's internal auditor (if applicable),
- the assessment, monitoring and management of the strategic, operational, reporting and compliance risks of the Company's business (the "Risks"), and
- the performance of the Company's Chief Financial Officer.

In addition, the Audit Committee provides an avenue for communication between the independent auditor, the internal auditors, the Company's Chief Financial Officer and other financial senior management, other employees and the Board of Directors concerning accounting, auditing and Risk management matters.

The Audit Committee is directly responsible for the recommendation of the appointment and retention (and termination) and for the compensation and the oversight of the work of the independent auditor (including oversight of the resolution of any disagreements between senior management and the independent auditor regarding financial reporting) for the purpose of preparing audit reports or performing other audit, review or attest services for the Company.

The Audit Committee is not responsible for:

- planning or conducting audits,
- certifying or determining the completeness or accuracy of the Company's financial statements or that those financial statements are in accordance with generally accepted accounting principles. Each member of the Audit Committee shall be entitled to rely in good faith upon:
- financial statements of the Company represented to him or her by senior management of the Company or in a written report of the independent auditor to present fairly the financial position of the Company in accordance with generally accepted accounting principles; and
- any report of a lawyer, accountant, engineer, appraiser or other person whose profession lends credibility to a statement made by any such person.

"Good faith reliance" means that the Audit Committee member has considered the relevant issues, questioned the information provided and assumptions used, and assessed whether the analysis provided by senior management or the expert is reasonable. Generally, good faith reliance does not require that the member question the honesty, competence and integrity of senior management or the expert unless there is a reason to doubt their honesty, competency and integrity.

The fundamental responsibility for the Company's financial statements and disclosure rests with senior management. It is not the duty of the Audit Committee to conduct investigations, to itself resolve disagreements (if any) between senior management and the independent auditor or to assure compliance with applicable legal and regulatory requirements.

In discharging its obligations under this Charter, the Audit Committee shall act in accordance with its fiduciary duties.

REPORTS

The Audit Committee shall report to the Board of Directors on a regular basis and, in any event, before the public disclosure by the Company of its annual financial results. The reports of the Audit Committee shall include any issues of which the Audit Committee is aware with respect to the quality or integrity of the Company's financial statements, its compliance with legal or regulatory requirements, the performance and independence of the Company's independent auditor and changes in Risks.

The Audit Committee also shall prepare, as required by applicable law, any audit committee report required for inclusion in the Company's publicly filed documents.

COMPOSITION

The members of the Audit Committee shall be three or more individuals who are appointed (and may be replaced) by the Board of Directors on the recommendation of the Company's Compensation, Corporate Governance and Nominating Committee. The appointment of members of the Audit Committee shall take place annually at the first meeting of the Board of Directors after a meeting of Shareholders at which directors are elected, provided that if the appointment of members of the Audit Committee is not so made, the directors who are then serving as members of the Audit Committee shall continue as members of the Audit Committee until their successors are appointed. The Board of Directors may appoint a member to fill a vacancy that occurs in the Audit Committee between annual elections of directors. Any member of the Audit Committee may be removed from the Audit Committee by a resolution of the Board of Directors. Unless the Chair is elected by the Board of Directors, the members of the Audit Committee may designate a Chair by majority vote of the members of the Audit Committee.

Each of the members of the Audit Committee shall meet the Company's Categorical Standards for Determining Independence of Directors and shall be financially literate (or acquire that familiarity within a reasonable period after appointment) in accordance with applicable legislation and stock exchange requirements. No member of the Audit Committee shall:

- accept (directly or indirectly) any consulting, advisory or other compensatory fee from the Company or any of its subsidiaries¹ (other than remuneration for acting in his or her capacity as a director or committee member) or be an "affiliated person" of the Company or any of its subsidiaries, or
- concurrently serve on the audit committee of more than three other public companies without the prior approval of the Board of Directors and their determination that such simultaneous service would not impair the ability of the member to effectively serve on the Audit Committee (which determination shall be disclosed in the Company's annual management information circular).

1 A company is a subsidiary of another company if it is controlled, directly or indirectly, by that other company (through one or more intermediaries or otherwise).

2 An "affiliate" of a person is a person that, directly or indirectly, through one or more intermediaries, controls, or is controlled by, or is under common control with the first person.
